

Changes to the rules in Wales. 17th December

We need to stick to **Wales** rules

Mark Drakeford tells us the rules

We must be more careful now

Get our vaccines

Take a Lateral flow test before meeting people

Meet outdoors if possible

Space out meeting people. Leave days between.

Wear our masks

Keep social distancing. Remember, keep 2 Labradors apart!

Keep washing our hands

**From
December 27th**

Nightclubs will be closed

People will need to work from home

The social distancing rule in offices will be law

There may be more changes after Xmas.

We must still be really careful.

But if we are, we can still have a good Christmas

Tell someone if you feel ill

The Pembrokeshire Community Hub can help. 01437 776301

111

If you feel ill, call 111

PPF phones will be back on 4th January.

Please stay safe and have a lovely Christmas
