## M

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

We operate a very small fifteen pitch campsite which attracts eco-conscious, animal loving and family oriented visitors who are, typically, not given to crime and disorder, public safety or nuisance issues and who would consider child welfare to be of paramount importance.

The whole ethos of our marketing and our relationship with the Greener Camping Club and its values, means that we do not attract visitors likely to cause any problems relating to crime and disorder, public safety, nuisance or harm to children.

**b) The prevention of crime and disorder**

Clear rules given to our visitors and anyone misbehaving will be asked to leave our site.

No alcohol to anyone whose behaviour would suggest they have already had too much alcohol to drink.

Loud music or large groups of rowdy campers or visitors.

Only staff allowed in catering trailer/campsite shop and all customers will be served in the yard via a hatch.

Anyone failing to follow our rules or exhibit any inappropriate behaviour will be removed from the site immediately.

**c) Public safety**

Ensure area around catering trailer is clean and tidy and clear of obstacles,

Ensure adequate lighting between yard and campsite.

Ensure first aid and firefighting equipment is well stocked and maintained at all times.

Location of first aid box will be displayed by means of a notice on trailer.

A telephone will be available for use in an emergency.

List of emergency services will be maintained.

**d) The prevention of public nuisance**

Ensure and litter is gathered and disposed of correctly at the end of each opening period.

Ensure noise and smells kept to a minimum.

Ensure lighting is low energy and focused downward so as not to emit light pollution.

Ensure visitors follow our campsite rules as to acceptable behaviour.

All off sales will be in sealed containers for consumption in the yard where the trailer will be situated, on site or away from the camping site.

List of taxi firms will be maintained.

**e) The protection of children from harm**

Will ensure that customers are mindful of their language and avoid using strong language whilst on site, and that all behaviour is in keeping with our ethos of a family friendly site and our visitors expectations of such values.  
 Strictly prohibit any behaviour that is unacceptable to the extent of asking visitors to leave our site.  
 No alcohol will be sold to any person under the age of eighteen years.  
 If age is in doubt identification will be sought in the form of a driving licence or passport.  
 If neither document is produced no sale will be made.

### **Right to work/immigration status**

A personal licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any personal licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in [guidance issued under section 182 of the Licensing Act 2003](#).
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
